

5-WEEK GROUP GUIDE

10 minutes a week during your home group

Do you have a home group, house church, small group or bible study? You spend 10 minutes each week over the next 5 weeks praying for our ministry.

Who for? Your church small group.

SETUP

Very little setup is necessary, since you are already meeting together.

- Talk with your group and decide when you will begin your five week prayer plan.
- Familiarize yourself with the format below.
- Pray for your prayer time and that the Lord would bless it.

FORMAT

Each of the five weeks will focus on a different theme, but the prayer points every week will be the same. In Ephesians 1, we see Paul pray for WISDOM AND REVELATION and for POWER. Those are going to be our prayer points every week. A weekly session should go as follows:

- Introduce the theme and pray to open your time together (1 min)
- Pray for wisdom and revelation as it relates to that theme (4 mins)
- Pray for power as it relates to that theme (4 mins)
- Pray to close your time together (1 min)

During the first week we'd suggest you show the Najoom Launch video.

THEMES

WEEK 1: The technical Part of Najoom (*including content producers, online disciplers, administrators*)

- Pray for wisdom for all those involved as they make decisions and create content
- Pray that these videos and resources would carry the power of God

WEEK 2: The Arab church

- Pray for greater revelation of the role the church has in reaching her neighbors
- Pray for power to share boldly

WEEK 3: The Lost

- Pray for God to reveal Himself to the lost in new ways
- Pray that the power of the Spirit would be changing hearts and minds

WEEK 4: New Disciples

- Pray that new disciples would grow quickly in their knowledge of God
- Pray that the power of the Spirit would be transforming them and giving them power to share the truths of the kingdom with those around them

WEEK 5: Emerging Leaders

- Pray God would be giving much wisdom to a new generation of church leaders
- Pray that these leaders would be filled with the power of God as they lead many more Arabs to follow Christ
